Bosconian Choir and Proclaimers

Sr. Fatima Kashungnao fma

Assistant Professor, Department of Sociology

Co-ordinator

Why sing? We sing in the memory of God's faithfulness. God's mercy is greater than our sin; God's love is stronger than death. In fact, "singing" may be a stronger way of imaging God's speech as religious communities understood it. To hear and to sing the Word of God is, first of all, to gain a new appreciation of the depths of love from which God speaks. Sometimes, it is the song of victory, the victory of joy, the victory of defiance, as in the freedom songs of the civil rights movement. All of these give voice to God's power to overcome evil and injustice. And it is said by **Albert Einstein**, "**Education is not the learning of facts, but the training of the mind to think and of the heart to love.**"

The wonderful Bosconian Choir has been in fine voice for Don Bosco College, Itanagar. The choir's repertoire includes the traditional country and Christian hymns accompanied by musical instruments. The Bosconian choir is a vibrant and talented team of more than sixty students belonging to different departments. They added colour to all the events of the college through their melodious and breathtaking voice during the academic year 2017-18. Some of the events where they have exhibited their talents are: Inauguration of the Academic Year, Graduation day cum Felicitation of Rank holders, College week, Cultural cum Food Fest, Inauguration and Blessing of the New Building, Teachers' Day, Pre-Christmas, Pre-Nyokum festival, and Late Fr. Salew Thomas Memorial tournament and so on.

The choir sings because the song gives expression to the power of God. St Augustine says, "**He who sings, prays twice**"

The word of God is alive and active and it is sharper than the double edged sword. Our purpose is to lead them to love God so that they discover the Creator's plan in ones life and strive earnestly to achieve it. They should find out the presence of God in the unfolding of history and to free themselves from a pessimistic outlook. Whoever has God, whoever encounters Him, looks to the future with confidence. From the reflection of the Word of God, they are able to live the difficulties, recognizing the current moment as a time of grace. Don Bosco and Mother Mazzarello's preoccupation was to educate the youth to the faith and to walk with them so as to lead them to God. Life in Christ for Don Bosco meant growth in love.

With Mr. Samuel Phaomei, Mr. Athishu Peter and Sr. Fatima Kashungnao, the co-ordinator, the choir stands strong.

JESUS YOUTH MOVEMENT

Sr. Scolastica Kerketta fma

*Assistant Professor, Department of English
Jesus Youth Animator*

I always look forward to our Annual report because it gives us a great opportunity to look back over the past days to see how the Lord has been at work in our lives and how He has blessed each one of us to accomplish the dreams, aspirations, plans and projects that the members of Jesus Youth had chalked out.

As I glance through the minutes of the Jesus Youth Movement 2017-18, I am reminded of many joys, laughter, friendship and challenges that we have shared together. I feel blessed to be around 25 Jesus Youth members who are dynamic, enthusiastic, energetic and lively.

With the arrival of the new Principal in the person of Fr. (Dr.) Jose George SDB, a new vision was given to the presence of Jesus Youth in the college. All these past years it existed only as a club but now it is striving for its best to link with the International Jesus Youth Movement.

The strength of the movement is in its special focus on a life centered around the person of Jesus Christ, beginning with the experience of God nourished by prayer, the Word of God, the Sacraments, fellowship and sharing of the Good News of Jesus Christ with the others. Although they are few in number, they are vibrant and full of life. In their own life situation, they give their time to the Lord and respond constructively to the challenges of today's world situation.

Jesus youth members seek to grow as faithful disciples of Christ, through the six pillars of the movement, namely:

- 1. Daily Prayer:** A daily 'quiet time' with the Lord leading to an experience of the companionship of Jesus, enables one to have a joyful attitude in daily life.
- 2. Word of God:** A regular time for a meditative reading of the Sacred Scripture helps one to seek God's guidance and shape ones life according to God's will.
- 3. Sacraments:** Frequent and active participation in the Sacraments of the Eucharist and Reconciliation contribute to a life of wholeness and strength and are integral to a person's growth in holiness.
- 4. Fellowship:** Christian life, a call to live the life of the Trinity in communion with one's brothers and sisters in Christ through mutual support, encouragement and gentle correction, is an important element in the movement. Cells, Small groups, Prayer groups, Service teams and Friendship circles help to make Jesus Youth a family.
- 5. Service:** Following the footsteps of the Master who brought the Good News to the poor, Jesus Youth stretches out a helping hand to those burdened with poverty and deprivation.
- 6. Evangelization:** Personal renewal in Jesus leads the person to a commitment to share the message of Jesus with others. This commitment to evangelization is central to the life of every Jesus Youth.

Sr. Scoalstica Kerketta fma and Sir Ayu Poupu Paul are the two animators and for the smooth running and convenience of the group we have executive members who had been unanimously elected by the members themselves on 10th October 2017, the very first day of the Jesus Youth meeting. The executive members are as follows: Coordinator-Terang Dada, Core Member- Apong Boham, Treasurer- Lihngam Wangsa, Secretary- Robek Bosai, Intercessory group- Sr. Kethozeno Catherine, Musical Ministry- Sr. Hinga Lucy, and Outreach Group- Nonon Gangsa.

Following is the detailed report of the activities undertaken by the Jesus Youth members.

- 1. First Friday Mass:** Devotion to the Sacred Heart of Jesus is but a special form of devotion to Jesus. It is expressed by the members by taking part in the First Friday Mass faithfully. The members receive the Holy Communion in a worthy manner and Fr Stanislaus Selvaraj, the Vice Principal of the College is the regular chaplain for them.
 - 2. Prayer Service:** Every Wednesday the members gather at Don Bosco College chapel for prayer service from 9.00 am to 9.30 am. Through spiritual songs, intercessory prayers and through the sharing of the Word of God they lift up their voice to God. Through the Chaplet of the Divine Mercy prayer they seek God's mercy and forgiveness for the whole world.
 - 3. Cleaning Drive:** On 20th October 2017, the ever energetic Jesus Youth members went to Government Middle School Jollang, for a cleanliness drive. They cleaned every nook and corner of the school and the surrounding which
- made Principal, teachers and students extremely happy. Indeed the hard labour and dedication of the members is really praiseworthy.
 - 4. Animation Programme:** The Jesus Youth members were indeed fortunate to be animated by Fr. Kollannurkkaran Linson Louise, the Principal of Don Bosco School, Doimukh on 17th November 2017. Fr. Linson being the full timer of Jesus Youth, shared his personal experience with them. He then highlighted the spirituality of Jesus Youth Movement which consists of six pillars. Everyone enjoyed the animation and the resource person concluded the animation with a solemn Eucharistic celebration.
 - 5. Pre-Christmas Celebration:** The celebration of Pre-Christmas was solemnized on 25th November 2017 by the Jesus Youth members. The Chief Guest for the occasion was Fr. CD Mathai, the Parish Priest of St. Mary's Church, Itanagar. The lively items presented by different clubs of the college added joy and enthusiasm and filled the air with blessings of Baby Jesus. To cheer up everyone Christmas cake was cut and was shared by all.
 - 6. An interaction with the National Coordinator:** On 20th March 2018, the visit of Mr. Charles Anthony Bastin, the National Coordinator added extra joy and happiness to the members. He enlightened the members on the six pillars of the movement and shared his personal experience with them. He helped them to understand the focus and purpose of the movement and exhorted everyone to grow in the love of Jesus.

7. **A visit to Orphanage Home at Naharlagun:**

It was one of the long awaited dreams of the members to pay a visit to the Orphanage Home at Naharlagun. They set out from college at 10:30 am on 26th March 2018. There were 24 students accompanied by two animators namely, Sr. Scolastica Kerketta and Mr. Ayu Poupu Paul. A solemn welcome was extended by Elizabeth Tangjang as the members reached the centre. Binny Yanga was the founder of the orphanage and Madam Ratan Ania, the daughter-in-law has succeeded her. It was an encouraging and moving experience to see the great work done by lay people at the same time very pathetic to see the orphans who are the victims of domestic violence, molestation, ignorance and negligence on the part of the parents perhaps. The members visited different wards where many sick people were being taken care of especially the cancer patients. The children were entertained by distribution of some candies, sweets, ice-creams and taught them some action songs. The kids were very happy and delighted. The members offered donations in kind like Oil (3 canes), Rice (5 bags), Biscuits (2 cartons), Daal (1 sack) and sweets. Rs. 6000 was handed over to them for the benefit of all inmates. The kind gesture of sharing and caring was highly appreciated. We returned with unbound joy and contented hearts at 1.00 pm.

8. **Youth Pasch 2018:** The 'Youth Pasch' 2018 from March 29th to 1st April 2018, witnessed over 350 participants of the province of Dimapur to experience the Paschal mystery of our Lord Jesus

in His Passion, Death and Resurrection at DBIDL Dimapur, under the theme 'Increase our Faith'. The participants were from the Salesian Schools and Colleges of the states of Assam, Manipur, Nagaland and Arunachal Pradesh. From our college 24 students took part in it. They were accompanied by Sr. Scolastica Kerketta, Mr. Francis Hasdak and Mr. Telesphore Topno. It was a wonderful group- a blend of both college and school students. No doubt the wonderful animation by the dynamic resource persons and the meaningful celebrations have enriched our students in a hundred fold. They returned with jubilation mood for having experienced the power of the Risen Lord in a very tangible way.

9. **Annual Spiritual Retreat:** Retreat is a powerful step toward personal conversion. Keeping this in mind in collaboration with the college, Jesus Youth members organized two full days of Annual spiritual Retreat for the college boys and girls. It started in the evening of 13th April 2018 and concluded on 15th April. The retreat preacher in the person of Sir Daisinlung KC, helped the students to grow in love relationship with God, to listen and meditate God's Word and to find Him in a deeper dimension. Spending much time in the presence of God in praise and worship has helped the students to experience the magnificent love of God for each one of them. ■
