DEPARTMENT OF SOCIOLOGY

Mr. Pouluanthai Phaomei
Assistant Professor
HoD. Department of Sociology

Today, we live in the twenty-first century, in a world that is intensely worrying, yet full of the most extraordinary promises for the future. It is a world marked by rapid changes, deep conflicts, tensions, rare diseases and social divisions. The world is also extremely concerned about the destructive impact of human activities on the natural environment and human society. Yet, we also have new opportunities for controlling our destiny and shaping our lives for the better that would have been unimaginable to earlier generations.

At this critical juncture of change and transformation of human societies, there are so much worrisome questions that come into our minds. Such questions like- How did this world come about? Why are our conditions of life so different from those of our parents and grand-parents? What directions will societies take in the future? If you have ever asked yourself such questions, then consider yourself a novice sociologist.

These questions are the prime concerns of Sociology, a field of study that consequently has a fundamental role to play in modern intellectual life. Sociology is the scientific study of human life, social groups, whole societies and the human world as such. It is a dazzling and compelling enterprise, as its subject-matter is our own behavior as social beings.

The department of sociology was established in Don Bosco College Jollang, Itanagar in the year 2004-2005 sessions as a pass course and latter in the year 2007-2008, became a full-fledged department of sociology under Rajiv Gandhi University, Rono Hills. It is the first ever college in Arunachal Pradesh to offer sociology for Under Graduate Students.

The department is very grateful to Miss Jananko Tingwa who had served the college and the department for more than a decade. She had shown us and the students' community by excelling herself in the Arunachal Civil Service Examinations. We wish her a bright and great future in the years to come.

The department has a total number of 727 students opting for sociology in the 2nd, 4th and 6th semesters for the sessions 2020-2021. Out of which, there are 103 in BA 6th Semester (Sociology Honours), 285 students in BA 4th semester and 339 students in BA 2nd Semester.

JESUS YOUTH MOVEMENT

Sr. Kaini Roslyn fma
Coordinator

“It is Jesus who stirs in you the desire to do something great with your lives.”

St. John Paul II

Jesus Youth is an international Catholic youth movement with a charismatic spirituality. It is a movement inspiring and forming young people to be missionary disciples at the service of the Church. Today, it is a wide network of small but strong fellowship groups of youth from various parts of the world.

Jesus Youth Prayer groups started sprouting in college campuses, parishes, schools, hostels, hospitals, etc. A unique Jesus Youth lifestyle evolved and ministries came into being.

The six pillars of Jesus Youth lifestyle:

1. Quiet time for Prayer
2. Regular reading and meditating on the Word of God
3. Sacramental life in the Church
4. Regular fellowship with likeminded people
5. Renewed zeal for Evangelisation
6. Service – Option for the poor

Jesus Youth helps people to have a personal relationship with God. It is missionary in nature and has a special focus on the formation of the youth of today.

The Jesus Youth is very active in Don Bosco College, co-ordinating many activities that support and sustain an atmosphere of harmonious existence, growth and development of all.

Every Tuesday, Jesus Youth gathers in the morning (9.00 to 9.30) for learning something new in the form of action songs, group activities, etc. The leader takes his/her time to keep the group informed of the upcoming events.

Every Wednesday, Jesus Youth gathers for the weekly prayer meeting for half an hour. Someone designated for the day reads a Bible passage, appropriately chosen beforehand, and shares enriching thoughts and reflections. The ‘prayer hour’ ends with special intercession for the immediate needs of our neighbourhood.

ANNUAL REPORT 2020-21

Jesus Youth makes good use of the College Notice Board for dissemination of good thoughts, and activities of the group. It is also a good platform for displaying the artistic talents of its members.

The year 2020 was marked by the attack of the corona virus. Many people in the neighbourhood were in dire need for material help. The group tried to reach out in solidarity by way of helping them with food items, clothes, even monetary assistance. These were moments of greater solidarity with the poorest of the poor.

It is customary in the college to wish good bye to the senior batches. In spite of the prevailing pandemic, the 'farewell' programme was well organised. Rev. Fr. (Dr) Jose George, Principal of Don Bosco College, Itanagar in his message said, "Once a Jesus youth, forever a Jesus youth. Continue to be faithful to your commitment. Let your life be permeated with the spirit of this movement". They expressed pain and sadness on their faces as they parted. God bless them all.

Farewell for the outgoing members

All in all, Jesus Youth try to live out to the full the "six pillars" of the movement. The active presence of Jesus Youth in the college has made a difference in the lives of all the students. The members have learned to be of help to one another. In a world torn apart by war and violence, in an age when pride, jealousy and selfishness run wild, Jesus Youth has a different message, that "I am my brother's keeper"

Do you long to be part of a community that challenges you to grow in authentic relationship and genuine holiness? Join us. We love getting together to praise God, serve others and seek His face. Join us!

BOSCONIAN CHOIR AND PROCLAIMERS, 2020-21

**Sr. Kaini Roslyn fma
Coordinator**

“Sing to the Lord a new Song: Sing to the Lord all the earth.” (Ps 96:1)

Songs and music play a vital role in the growth and development of every human life. Music soothes our emotional feelings and adds great solemnity to any celebration.

Bosconian Choir (of Don Bosco College, Jollang, Itanagar) was formed with the aim of promoting the in-born talents of our young students and to give them the opportunity to showcase their abilities. It enables them to develop their talent in singing, making the best use of their God-given gifts. St. Augustine said, “Singing is praying twice”. In songs, they raise their hearts to God, the maker and sustainer of all things. The Bosconian choir animates the singing during the college assemblies and other common functions.

Unfortunately, due to the pandemic during the session 2020-21, the choir could not perform much. But on inaugural functions of the Dorjee Khandu Memorial Stadium, the E-Library, and the College Fest, the choir staged fantastic performances. Wherever the Bosconian choir was asked to perform, they did their best and enchanted their audience.

The college offers the students various platforms for their integral formation and growth. It is not only the final performance on the stage that is important, but the preparation that goes before. It helps immensely in building up confidence and an eagerness always to do better. It is also an opportunity for them to discover their hidden talents and creativity and to give glory to God.

A year of unprecedented lockdown due to the pandemic threw everyone out of gear and off focus. We hope for a better future where the choir will once again revive their active performances and bring joy through their songs and spread the message of God’s Love.

ART CLUB REPORT, 2020-2021

Mr. Rahul Kardong
President, Art Club

The Art Club of Don Bosco College seeks to use the talent and creativity of the members in order to pursue perfection in art and reach out to people within the college and beyond. Like every year, the club carried out various important projects and activities despite the pandemic.

Out-Reach Program at Don Bosco School

The Art Club went for its first outreach program to Don Bosco School, Hokka, Jollang on 14th-15th March, 2020. This out-reach program was a long-awaited initiative, planned by the club's mentor Mr. Luhish Lushai, Assistant Professor and ex-president Miss Hillang Arina to expand the club's interest outside the college. A group of 16 members from the Art Club beautifully painted selected cartoons inside and outside the classrooms of the nursery section.

College Stadium Mural Painting

At the request of the Director, Don Bosco College, Fr. Chemparathy Jose, the Art Club took up the project of beautifying the newly constructed college stadium. The painting of the stadium was carried out in six phases due to the Covid-19 pandemic.

In the first phase, which began on 5th June, 2020, Mr. Luhish Lushai with the help of college working staffs started the mural painting and portraits of the Former Chief Minister of Arunachal Pradesh, Late Shri. Dorjee Khandu and St John Bosco.

The second phase of the project began on 4th September, 2020 amidst the ongoing pandemic. Three members from the Art Club, Rahul Kardong, Nada Koyang and Punyo Sarming joined Sir Luhish Lushai. The Art Club painted cartoons of the different tribes of Arunachal Pradesh, made the logo of the college and inscript the name of the stadium.

The third phase of the project began on 10th October, 2020. In this phase, they made the eight portraits of the renowned sports figures like Cristiano Ronaldo, a Portuguese professional footballer, Hima Das, an Indian sprinter, Lebron James, an American professional Basketball Player, Lionel Messi, an Argentine professional footballer, M.S Dhoni, a former Indian cricketer, Rafael Nadal, a Spanish professional tennis player, Sachin Tendulkar, the former Indian cricketer and Usain Bolt, the Jamaican retired sprinter.

The fourth phase of the project began on 2nd November, 2020 where few more members joined hands to make silhouettes of different sports and created scenery of the sun rising and setting and the Abstract Geometric Triangles at the background of the sports figures.

ANNUAL REPORT 2020-21

The fifth phase of the project started on 19th December, 2020. In this phase, they completed the few left over works and gave the look of a bamboo to the two gigantic pillars of the stage at the stadium.

In the sixth phase of the project which began on 26th February, 2021, almost all the works were completed except the centre portion of the stage which the club had left for the inaugural stone. After the change in plan with the inaugural stone shifting to a different spot, the club had to fill up the empty space. They made scenery of a small stream flowing through the fields putting it in harmony with all the painting of the tribes, the scenery behind the tribes and the two gigantic pillars of the stage.

With all the hard work and dedication of the Art Club, the whole project got completed on 3rd April. It took in total of six phases to complete the mural painting of the stadium and it was the biggest project of the Art Club of Don Bosco College, Itanagar.

Preparation of stage and background for College Cultural Fest

14th April, 2021: Every year, the Art club prepares the stage for the college cultural fest and decoration of such a big stage is never an easy task. This year the Art Club started the decoration of stage at the newly constructed assembly hall for the college cultural fest. In the Cultural fest all the students from the different houses performed modern and traditional folk dances and songs of different tribes and cultures. And a fashion parade was also held during this cultural fest. It was the Art Club who prepared the stage and background for the various events. With the help of committee members and volunteers from different houses, the Art Club made a frame for the stage at the front and back of the stage with a passage for the fashion parade in white cloth. The club made a big Mithun head for the frame that was put up at the centre with two hornbills on both sides, both facing the centre. Traditional female attires of different tribes of Arunachal Pradesh were also made with the help of various crafts.
