No

All good

By dividing the unit related to the topic

Provide basic information

Usually the Rgu syllabus are very vast and teachers have to cover on the specific time due to the vast syllabus teachers weren't able to complete on time and it went to 3, 4 days prior to exam.

Tough of syllabus

Make it little bit easy

Change some topic

Bring more details in chapter

All the necessary things should be provided by the RGU

Varities of new topics and less work load

The syllabus should not be vast

I suggest the syllabus of every semester should be 10 or 12 module.
