Agenda of the Meeting

1. Welcome and Introduction of New Members.
2. Awareness about the various scholarship programs of state Government and UGC.
3. The need for targeted interventions to address educational gaps and enhance learning outcomes was emphasized, highlighting the group's commitment to student success.
4. Discussion on upcoming events and initiatives and Planning for engagement with students.

Discussions of the Meeting

The meeting commenced with a prayer led by the Principal. Subsequently, he provided a concise overview of the minority cell, its objectives, and associated benefits. The attendees engaged in discussions concerning government scholarship programs and explored avenues for student empowerment. Deliberations on educational standards led to the consensus that remedial coaching is essential to enhance the quality of education.

Decisions of the Meeting

- To provide prompt counseling to students from minority communities for any emotional emergencies arising from events on the college campus.
