DON BOSCO AND HIS SYSTEM OF EDUCATION

Saint John Bosco, popularly known as Don Bosco (Italian for Father Bosco) was born at Becchi, in Piedmont, Italy on August 16, 1815. From a very young age, he had decided that he had been called to work for the poor boys of that era when Europe was under the grip of the Industrial Revolution and many young people who came to the cities to study or in search of work fell an easy prey to the many social evils of the time. After being ordained a priest of the Catholic Church in 1841, Don Bosco came to the rescue of these poor youth with his novel method of education through total dedication and personal involvement in their lives and problems.

To ensure that this total dedication to their cause shone through his actions, he based his education on the three great principles of reason, fear of God and loving kindness. He dedicated his life, as a caring father, and doing everything possible for their welfare. Don Bosco was attuned to the needs of his society. He did not visualize education in isolation from the community within whose parameters it functioned. Vocational guidance, vocational training, job placement and follow-up were as integral to Don Bosco's scheme of things as they are in modern education.

The system of education that emerged from these principles of Don Bosco is popularly known as the Preventive System, which is based on three pillars: Reason, Religion and Loving Kindness. This is the system that will be used in Don Bosco College, Itanagar. Joseph Zoppi, the Swiss educationist said, "If there ever existed a method of education adapted to inspire confidence and love, it is the method of Don Bosco". The system aspires to create a generation of young men and women steeped not only in sound knowledge-based education but also in strong value-based education for life.

"Act today in such a way that you need not blush tomorrow" - Don Bosco.

PREAMBLE: THE SALESIANS OF DON BOSCO

Don Bosco Society, variously known as 'The Salesians of Don Bosco' / 'The Don Bosco Educational Society', etc., was founded by St. John Bosco (1815-1888), an eminent educationist in Italy. It is a Religious Order of the Catholic Church. The society has over 32,000 members working in about 132 countries. Through a global network of educational and social service organizations, which include 14 universities, 81 institutions of higher education and thousands of schools and social development centres. It caters to the less privileged and marginalized sections of the society.

In view of its reach and expertise in the field of education, currently catering to over nine million young people all over the world, the Society enjoys consultancy status at the United Nations.

DON BOSCO IN INDIA

In India, the Salesians of Don Bosco began their service way back in 1906, with a trade school and hostel for poor children at Thanjavur, Tamil Nadu. The society today has over 5000 members (Fathers, Sisters and Brothers). Its services are offered through 1 University (Don Bosco University, Azara - Guwahati), 28 colleges, 3 Engineering colleges, over 100 technical schools (Formal and Non-Formal), and a large network of high schools and scores of job and agricultural training centres, spread across the country, covering the entire spectrum of social development. The society is also involved in literacy centres, shelters for street children and rehabilitation and relief operations. The Government of India has recognized the Salesians of Don Bosco as the largest non-governmental provider of technical education in the country.

DON BOSCO COLLEGE, ITANAGAR

Don Bosco College, Itanagar (Jollang) is an educational institution of the Catholic Church, belonging to and managed by the Salesians of Don Bosco Educational Society (registered under the Societies Registration Act of 1860: No. SR/ITA/4034). It was started on 16th August 2002.

The college is named after St. John Bosco (1815 – 1888) popularly known as Don Bosco – Father and Friend of Youth. He was a Catholic priest and a prominent educationist engaged in the welfare of youngsters.

Don Bosco College, Itanagar aims to impart quality higher education to the youth of Arunachal Pradesh. It intends to contextualize education so that the youth of Arunachal Pradesh can grow up with love of one's culture and maintain the good customs and traditions of Arunachal Pradesh.

The Motto of the college is "Lead Kindly Light". Don Bosco College intends to guide the youth of Arunachal Pradesh to be loyal citizens and God fearing men and women who will lead their own society as good and honest Politicians, Bureaucrats, Businessmen, Judges, Lawyers, Teachers, Artists, Environmentalists, Social Workers, etc.

The college shall strive to impart quality education, uphold moral values and maintain strict discipline. It offers traditional courses in Arts & Commerce and professional course in BSW & BPES. We intend to launch vocational and professional courses in the future that would go a long way in developing skilled personnel in the state of Arunachal Pradesh as well as create avenues for self-employment.

OUR VISION AND CULTURE

Guided by the religious and educational philosophy of St. John Bosco, the College envisions the following:

- Providing easier access to higher education to the under-privileged
- Nurtures excellence and fosters commitment in youth care and education
- Equips society's next-generation leaders to be competent, dedicated and committed to excellence, equity and peace building
- Contributing to Arunachal Pradesh through promoting human resources
- Offer opportunities for interaction between various socio-cultural and religious groups and their constituents
- Harness resources and commitment in favour of solidarity, equity, development and peace.

Teaching, for us here at the college, is a lifetime commitment, a passion, a vocation and a profession, rather than a job. Striving for excellence is our way of life. Our motto tells it all: "Lead Kindly Light".

COLLEGE EMBLEM AND MOTTO

The thrust of the college emblem is spreading wisdom through learning. The lit lamp and the open book are indicative of this mission. Our endeavour is not merely spreading knowledge but imparting true wisdom that leads to holistic development of the individual and the progress of humanity. It is to be realized through the vision and the educative system of Don Bosco. Thus, the picture of Don Bosco is placed at the center. The overall shape of the cross speaks for the salvation of all. Thus, true wisdom begins with self-sacrifice. The quill of the Hornbill (State bird of Arunachal Pradesh) placed on either side of the emblem stands for unity and integrity among the various tribes that will be achieved by receiving the light of true wisdom. Along with it, the institution seeks to preserve the culture and tradition of the tribes – the wisdom of the ancients. The motto “Lead Kindly Light” is a plea to the Divine to lead us on to the path of true knowledge and progress.

LOCATION

The college is situated in a spacious campus at Jollang, four kilometers away from Itanagar. It is an ideal location for studies and is approachable both from Itanagar and Naharlagun.

SEMESTER GRADE POINT AND CUMULATIVE GRADE POINTS

Computation OF SGPA AND CGPA (Reference Doc page 30 of curriculum and Credit Framework for Undergraduate Programmes UGC 2022)

The Semester Grade Point Average (SGPA) is computed from the grades as a measure of the students' performance in a given semester.

The SGPA is based on the grades of the current term, while the cumulative GPA (CGPA) is based on the grades in all courses taken after joining the programme of study.

The UGC recommended produce to compute the Semester Grade point Average (SGPA) and cumulative Grade point Average (CGPA):

The SGPA is based on the ratio of the sum of product of the number of credits with the grade points scored by a students in all the course taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e

$$\text{SGPA} (S_i) = \sum (C_i \times G_i) / \sum C_i$$

Where C_i is the number of credits of the i^{th} course and G_i is the grade point scored by the student in the i^{th} course

Example for Computation of SGPA Semester	Course	Credit	Letter Grade	Grade Point	Credit Ponit (Credit x Grade)
I	Course 1	3	A	8	3X8=24
I	Course 2	4	B+	7	4X7=28
I	Course 3	3	B	6	3X6=18
I	Course 4	3	O	10	3X10=30

I	Course 6	4	B	6	4X6=24
		20			139
SGPA			139/20=6.95		

EXAMPLE FOR COMPUTATION OF CGPA
