1. INTRODUCTION

The Government of India has passed an act as the “right of person with disabilities act, 2006” for the people with disabilities. In adherence to the act, DBCI has executed the policy in educational process. The policy is to create environment friendly with equal opportunities, full participation in the academic and protection of their rights. There is no room for discrimination against the person with disabilities (motor and sensory limitations) in DBCI. All the management, teaching staff and non-teaching staff and the stakeholders are determined to lend their helping hands towards the person with disability so as to make sure that it leaves no space for discrimination, unhappiness, unease upon the persons themselves.

2. OBJECTIVES OF THE POLICY:

1. To prohibit discrimination, exploitation and exclusion and indifference towards the disabled students and staff from all types of work and education.
2. To provide facilities and building infrastructure that are friendly, gender sensitive safe and functional with respect to the persons with disability.
3. To ensure that human assistance, resources are accessible as per their requirements.
4. To ensure that equal opportunities, full participation, their rights for protection of the person with disabilities are met.
5. To ensure execution of all legislation to person with disabilities.
6. To provide necessary budget allocation to achieve the above objectives.

(The terms used in the policy have the meaning mentioned in chapter 1 of the rights of the person with disability act 2016)

3. EXAM POLICY:

DBCI makes reasonable changes in the educational plan and assessment framework to meet the particular needs of the students with disabilities as per their conveniences. Students who appear examination will also be getting the assistance that is required for persons with disabilities.

4. ACCESSIBILITY FOR PERSON WITH DISABILITIES:

Facilities accessible for the employee and the students
